## Private Equity Analyst Program

Apply: <https://sparc.world/career>

Our Private Equity Analyst Program provides you with immersive training and hands-on experience to develop valuation, due diligence and deal execution skills, as well as the best practices of portfolio company management. Working with investment professionals of all levels, you will learn from the ground-up how a sector-specific private equity investor identifies, evaluates, and executes on new opportunities. Simultaneously, exposure to portfolio company management teams will strengthen your c-suite business acumen and ability to identify operational improvement initiatives. With combined aspects of M&A investment banking and consulting operational focus, you will deepen your abilities as a successful private equity investor.

Our 2–3 year program not only offers an entry-level position into the private equity industry, but a jumpstart to your career within a top tier private equity firm with opportunities to advance.

## Application Process

Upon submission of your application, you will automatically receive a link to an online assessment. For your application to be considered, you must complete this assessment by the application deadline.

- Ability to work well independently and as part of a team
- Interest in financial markets and technology industry sectors and trends

As a condition of employment, we require all employees to be fully vaccinated for COVID-19 prior to starting work. For purposes of this policy, “fully vaccinated” means two weeks after either (a) the single dose of a one-dose vaccine regimen, or (b) the second dose of a two-dose vaccine regimen. We will require that you provide proof of full vaccination prior to beginning your employment. We are an equal opportunity employer, and will consider a request for exemption from this policy for medical reasons or sincerely-held religious beliefs where reasonable accommodations are possible without imposing undue hardship, to the extent required by law.
