GOVERN FOR AMERICA

Become a GFA Fellow

Launch your career in public service and join the next cohort of GFA Fellows to work alongside state government leaders on real issues facing our communities

What we do:

- Recruit, train, and place recent graduates into full-time, salaried government jobs
- Support professional development with two years of consistent training opportunities
- Inspire life-long public sector leaders

What Fellows do:

- Work in Maryland, Michigan, Missouri, Colorado, Connecticut, California, New York, or Tennessee
- Focus on the following policy areas: education, healthcare, criminal justice, environment, and digital equity
