PER SUMMER RESEARCH FELLOW APPLICATION FORM
Ph.D. Students (Department of Economics)
The Program for Economic Research (PER) invites proposals for the 2021 PER Summer Research Fellow program. PER will award up to 17 grants of $2,000 each for Ph.D. student working with a faculty in the Department of Economics. Each Ph.D. student will work jointly with a faculty member.
Proposals are evaluated on the intellectual merit and innovation of the proposed project, on the grant’s relationship to the proposed project, on the project’s organization and judicious use of funds, and on the plausibility of the student’s plan to scale the project. The allocation of funds is subject to student’s employment eligibility. Variables include the student’s citizenship and appointment/fellowship status with the University.
Ph.D. students in the Department of Economics at Columbia University are eligible to apply for the PER Research Fellow program. Sponsoring faculty members are encouraged to provide extra funding support for the PER Research Fellow; the magnitude of faculty support can be stated in the proposal. Award recipients are required to identify PER’s sponsorship on all published papers.

Duration: June, July, August 2021
Deadline: Wednesday, March 10, 2021 at 12:00PM (EST)

This section should be completed by the student and submitted to PER at econ-per@columbia.edu.
